

SANTIAGO TABORGA

Washington, DC 20016 ♦ 805-863-6471 ♦ satg123@hotmail.com ♦ <https://www.linkedin.com/in/santiagotaborga/>

SUMMARY:

Data-driven professional with a strong foundation in R programming, data wrangling, and statistical analysis, developed through hands-on research, coursework, and applied work in policy-oriented environments. Experienced in cleaning and visualizing complex datasets and producing reproducible, dynamic reports. Adept at translating real-world challenges into data insights for decision-making across international development, governance, and sustainability domains. Comfortable working across interdisciplinary teams and managing analytical and administrative functions under tight deadlines.

TECHNICAL SKILLS:

Programming & Tools: R, RMarkdown, GitHub, Excel, Photoshop, Canva

Libraries & Packages: dplyr, tidyr, ggplot2, knitr, lubridate, readr, forcats

Data Analysis: Data wrangling, statistical analysis, data cleaning, exploratory analysis, reproducible research

Documentation & Communication: Literate programming, dynamic report generation, bilingual (English/Spanish)

EDUCATION/CERTIFICATIONS

Master of Arts in International Affairs - American University – Anticipated December 2025

- *Relevant Courses:* Data Analysis, International Affairs Stats & Methods, Political Risk Analysis, Disaster Risk Management
- *Seminars:* Strategic Planning, Fundraising & Grant Writing, Conducting and Evaluating Randomized Controlled Trials

Bachelor of Arts in Political Science - University of California, Santa Barbara (UCSB) - June 2022

International Development Professional Certificate - New York University, School of Professional Studies – May 2024

PROFESSIONAL EXPERIENCE

RESEARCH ASSISTANT

American University – Washington DC (January 2024 – Present)

- Cleaned, transformed, and merged complex international trade datasets using `dplyr` to produce one comprehensive database around various international commerce metrics related to Trade in Value Added.
- Produced data visualizations within the international trade sector to be used in conferences and research papers.
- Conducted research on Spanish-language news sources to identify opposition to child marriage restrictions in Latin America, assessing the impact on national ratification of international laws.

PROGRAM ASSOCIATE, PLR-ISSC

ZemiTek, LLC – Washington, DC (December 2024 – February 2025)

- Provided technical and administrative support to the program management team for the Planning, Learning, and Resource Management contract, ensuring the efficient use of a large budget approved by USAID.
- Edited and maintained daily reports on the administrative, programmatic, and analytical progress of six offices within USAID's PLR Bureau.
- Introduced process optimizations for the sharing of resources and accessibility of spreadsheets to improve office efficiency.

JUNIOR DESK OFFICER

United States Agency for International Development – Washington, DC (June – November 2024)

- Drafted stakeholder documents, including political context analyses, daily updates, and news coverage compilations.
- Organized high-level meetings, conferences, managing complex requests, scheduling, and preparing meeting notes.
- Served as a liaison between desk officers and country program officers, ensuring streamlined communication.

BILINGUAL MARKET RESEARCH AND DEVELOPMENT INTERN

US Green Building Council – Washington DC (March – October 2023)

- Conducted comparative market analysis on sustainability frameworks in Latin America to help inform market expansion.
- Translated and reformatted technical documentation, and prepared presentations for large conferences.
- Provided administrative and project management support for businesses pursuing zero waste certification.

RESEARCH PROJECT LEAD

University of California, Santa Barbara – Santa Barbara, CA (September 2021 – June 2022)

- Created an in-depth literature review of the economic and political context in Bolivia, relying on sources in Spanish to create a research project related to Democratic Development & Indigenous Rights under Leftist Regimes.
- Synthesized non-governmental and government databases into various graphs and tables to present a final report.
